

## Job Posting for Coldwater Indian Band Member: Cumulative Effects Coordinator (paid)

PGL Environmental Consultants Ltd. (PGL) is looking to hire a Coldwater Indian Band member on a **contract basis** as part of the Terrestrial Cumulative Effects Initiative (TCEI). The TCEI is aimed at managing cumulative effects in areas of importance to Coldwater. A dedicated team has been established to manage this project and this position will report directly to the TCEI team (a combination of Coldwater Councillors and PGL).

Funding is available from Natural Resources Canada for this role from **May-December 2021 as part of the first phase of work**, with a possibility of extension (funding may be available for an additional 1-2 years). The hourly salary will be determined based on the skills, experience and availability of the selected individual.

**Relevant experience is an asset but not a requirement as the individual will receive mentorship, training and support from the TCEI team.**

The Coldwater Indian Band member should have interest in some, or all, of the following topics:

- Land and resources
- Cumulative effects
- Community engagement
- Environmental assessments
- Cultural assessments
- Project management
- Communication and planning

The role will include:

- community liaison and outreach regarding TCEI priorities (organizing community meetings, newsletters, weekly reports, surveys, website/email updates, phone calls, etc.);
- self-directed study on relevant topics (with guidance from TCEI team);
- developing worksheets/questionnaires for community input;
- attending regular TCEI team meetings (typically every two weeks on Tuesdays from 5-7 p.m.) to determine cumulative effects initiatives based on input from the community;
- meeting with PGL weekly as part of mentorship/training;
- submitting weekly reports on work progress to the TCEI team;
- ability to work from home (working at Band office can be explored if needed);
- familiarity with zoom, Microsoft word and email;
- willingness to work flexible hours (e.g., evening meetings); and
- managing socially-distant meetings in the community if needed/appropriate.

**We're hoping to fill this position as soon as reasonably possible.** If you have questions or would like to apply please contact Bridget Dunne (BDunne@pggroup.com or 604-895-7659) or Leslie Beckmann (LBeckmann@pggroup.com or 604-895-7629) at PGL.

*The TCEI is funded by Natural Resources Canada in association with the Trans Mountain Expansion Project. Coldwater's participation in the TCEI does not indicate Coldwater's support for the Project and is without prejudice to the Crown's constitutional obligations to Coldwater.*
